PORTFOLIO

PROFILE

UX/UI Designer with a Bachelor's degree in Information Technology (KMUTT) and 2+ years of paid professional experience — spanning freelance, in-house, and client-facing product development — backed by 3+ years of hands-on design practice. Skilled in the full design process from user research and wireframing through to high-fidelity prototyping and usability testing, delivering accessible and user-centred interfaces. Comfortable working cross-functionally and leading projects end-to-end.

WORK EXPERIENCE

Vansales Application Co., Ltd.

Jan 2025 - Present

UX/UI Designer

- Own end-to-end UX/UI process across web and mobile — from discovery and wireframing to high-fidelity prototypes, design systems, and developer handoff.
- Collaborate directly with developers and stakeholders to clarify requirements and ensure smooth delivery through UAT and release cycles.
- Balance strategic design decisions with hands-on execution, advocating for user-centred solutions while aligning with business goals and real-world implementation constraints.

Leafy - Senior Capstone Project

Aug 2023 - May 2024

UX/UI Designer & Project Manager

- Led a 3-person team through the full product lifecycle — from concept, user research, and wireframing to a complete visual system, high-fidelity Figma prototype, and frontend delivery.
- Designed an accessibility-focused e-commerce and knowledge hub with a role-based adaptive UI, seamlessly shifting layouts between buyer and seller views.
- Supported frontend development to ensure design fidelity in the final build, bridging the gap between design and code using a modular Figma component library built with Variants.

Marvelous Studio Co., Ltd.

Jan - Jul 2023

UX/UI Designer (Intern)

- Contributed to in-house digital products across the full UX/UI process — from research and wireframing to final delivery.
- Collaborated with developers and PMs to deliver user-centred solutions aligned with business goals.
- Conducted usability testing, synthesised feedback into design improvements, and presented deliverables to stakeholders.

Princess Maha Chakri Sirindhorn Foundation (PMSF)

Sep - Dec 2022

UX/UI Designer (Freelance)

- Redesigned the foundation's public website with modern aesthetics, responsive design, and improved navigation, working collaboratively within a cross-functional team alongside developers.
- Streamlined user workflows to resolve usability pain points and improve the overall user journey.
- Delivered a fully mobile-responsive interface, improving accessibility across all device types.
